

Tutoriel : marque-page Coeur

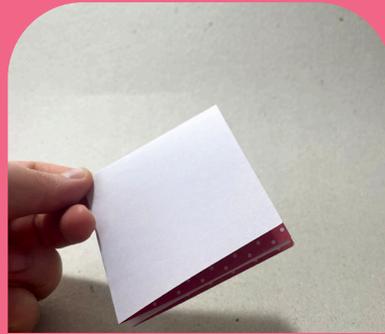

Seulement,
OSEZ LE DÉPISTAGE !

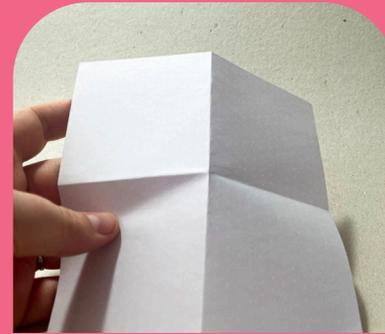

1 – Partir d'un carré

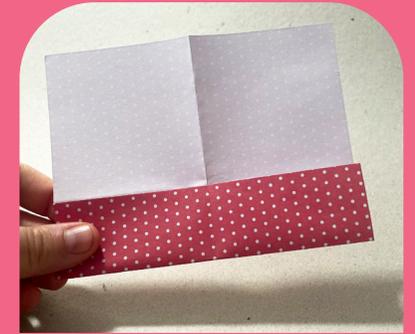

2 – Plier en deux

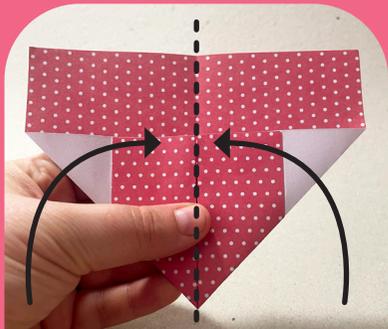

3 – Puis encore en deux

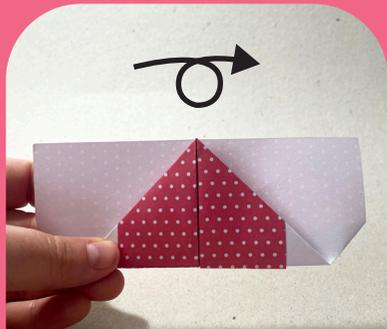

4 – Mettre à plat

5 – Plier la partie inférieure jusqu'au pli du milieu

6 – Retourner et plier les pointes vers le centre

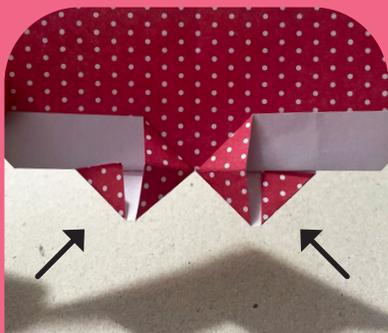

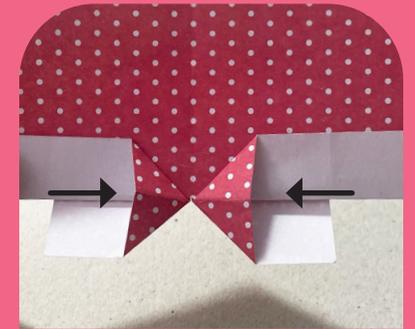

7 – Retourner et plier la pointe jusqu'au bord

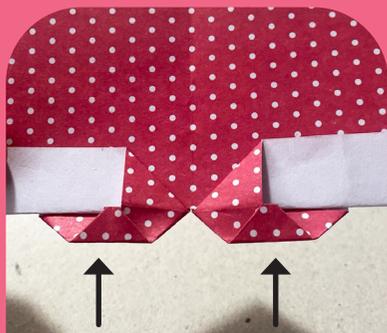

8 – Retourner

9 – Créer un triangle des deux côtés

10 – Repliez les carrés pour former des triangles

11 – Pliez les pointes des triangles

12 – Pliez les côtés vers l'arrière

C'est terminé !
